DIVINELY ORDAINED GUIDANCE*

Because you have an ever-present link with Eternity, remember that the positive God-thought of one person — which could be yourself — has greater power than the negative thought of thousands on the same subject.

Try it, and continue to try it, and see how thought can affect your own health, your outlook, your conditions, and your circumstances. See how many mountains of difficulties will be rolled away, and peace of mind will thus become yours.

Your thoughts are plainly seen in your faces, my beloved. The inner self of each one expresses itself with every breath that is drawn. Remember always that the conditions to which you will go, when you leave this Earth for another world, depend upon your thought-habits in your daily life here.

Keep hearts ever filled with thankfulness, and this will make your bodies receptive to healing, which can pour in and circulate through the aura. Self-pity is destructive, disintegrating, no good at all. Remember always the way to perfect health and perfect life is the God-way, and this will show in the radiance of your faces, which will be reflected upon your brother man and bring happiness to all those whom you will meet as you pass upon your way.

Do not be perturbed about the state of the world. You may get discouraged because you see many failures and seemingly so little accomplished. Cultivate a clear, wise outlook and see the good which is evolving, and do not grieve for what you call failure.

The world is advancing. In the world each one of you is needed; each one is a spoke in the wheel, and we bless you, brethren, for we work *together* to bring light, knowledge, wisdom, and love into the hearts of all peoples.

FIRST BOOK OF AZRAEL page 145-147.

When these groups of the White Brotherhood are formed all over the world, as they will be, the Light will perform spiritual miracles in physical matter and the governments will all unite. There will be one world government; the members of it *will be* the Initiates of the Great White Brotherhood.

The time is not too far distant when the Teachings of the White Brotherhood will be the established religion of all people. Materialism will die through the Spirit rising like a fire in the heart of man. This is the way of evolution. The pure White Light is like a white fire which cannot be extinguished. Men may try to smother it, as at the present time, but the flames of truth will burst forth. We only need to let the divine fire burn brightly upon our own Altar within the temple of our own Soul, and we shall set free many another Soul. So, my brethren, in the words used in ancient days of Atlantis, we say: "Let the light shine; let the Divine Fires burn upon the sacred Altar."

In moments of deep silence the Soul receives its own divine illumination. In the Spirit World we meet in the Temple of Brotherhood and listen to truths which enter our hearts from the Eternal Light; each one qualifies through service to receive more and more knowledge and wisdom from the Light. Such knowledge does not come only through intellect, but through growth into the Light. This is not just *our* teaching, it is the universal truth, my brethren; we only endeavor to open the Lodge to men's Souls.

Give therefore all that is within your hearts to further the work of that Light. Give forth sympathy and love, friendship, brotherhood and companionship to all creatures — human, animal, etheric. This is the work of the Brotherhood. If you allow the divine Light to manifest through your hearts into the lives of others, you are qualifying to become members of the White Brotherhood. When you open your hearts to this central truth — you become illuminated, caught up, and freed from Earth's limitations.

I DO USE YOU AS MEDIA*

Let us be thankful unto the Father who hath given us our destinies: let us be grateful unto the Host that accordeth to each one of us his role of fulfillment.

Have ye accordeth me recognition before men in your speech? Behold I do accord you peace and power to make that speech effective.

But counsel yourselves against dark memories that would wrack you: seek sense of precept: let the moment be sufficient unto the burden of its utterance.

Behold ye do arise in many market-places and attest me, when I am the Voice that singeth from your tongues; I do use you as media; verily do I enter into the bodies and hearts of friends who are clean, to give men the holy attestment.

Behold there are those among you who do dwell with me in one body in divers times when they know not of thy presence.

Seek ye no tongues; I give them unto you. Seek ye no avenues of escape from utterance, I supply you with wordage that appalleth the occasions.

Abide ye in me and in my love manifesting: I protect you when lips and tongues would stumble.

Say it with courage: sing a glad song: We are loved by Our Father, we do praise Him from the housetops;

We go forth mightily upon our missions together. . .

DIVINE GUIDANCE*

In the day of the Great Host, men shall no longer judge another;
They shall look upon a soul's cosmic years and absolve it;
Shall God pass judgment therefore on a Soul-Child . .
Men having waived the more understanding sentence?

When races as masses do their transportings by aerial freeways
The planet shall diminish to the county of the present;
Behold it shall be Transportation that marrieth the Nationals,
Travelings shall assure the Peace by abolishing horizons.

Around the corner of your years the Last Trumpet soundeth.
I tell you the last trumpet meaneth trumpets are discarded;
The calm of a Great Peace pilloweth your torment,
The world steppeth up into the radiance of Loving Silence!

The one-government concept for all the earth must be abandoned;
Each race earneth control through its experimentings;
Nevertheless one intellect may inspire all nationals.
Holy Spirit instructeth not through folkmoths.

The Golden Calf Tribe shall strive after a treasure,
Almoners afar shall covet it;
I say tortuna is used subtly to defect opposition;
The Iron One shall uncover a great perfidy.

He will speak the loud word Peace! . .
Against the fireballs with perdition in their vitals.
Thirteen world capitals shall hear it, and behold.
Then do His agents arise and make fiat.

THE PLANETARY SCOPE OF DIVINELY ORDAINED GUIDANCE*

Three great groups of Governors
have been used in this Work:

- I. The first was THE SILENT WATCHER
with his Council of Servers
called THE ORDER OF MELCHIZEDEK
which represent the earliest rulers of our planet
and the teachers of the Golden Age.
- II. The second great group includes the Kumaras
THE LORDS OF THE FLAME and the CHOHANS or
LORDS OF THE RAYS who came from Venus
to govern this world. These withdraw more and more
to make way for the third group.
- III. The third group will not take charge until
the VOLUNTEERS have been released and
THE ORDER OF MELCHIZEDEK dissolved and
they have returned to their stations
elsewhere in the Solar System. This third group
is represented by the Masters
and the Members of the Brotherhood.

I CALL YOU AGAIN*

My dearly beloved, concerning things spiritual ye are adepts though ye know it not;

Lives without number have ye led, concerning which ye are instructed in part; know that ye have been precursors and expounders of me in ages so remote that the count is lost;

Ye have heralded me and been my vanguard, a little group of my family ordained of me to teach the race; ye have come and gone in flesh because ye did choose that pathway loving me;

I too have come and gone in flesh, but I did suffer whilst ye did take the glory.

Thus come ye to the present cycle when ye do have glory of men: verily ye have much glory mentioned in eternal realms, meaning that vast host on all planes who know that ye do function in flesh again for them and for me.

I say it is important that ye know things of import concerning yourselves; things interpreted are small though significant; things to be known of you and by you are large, larger than ye have received to this hour, for verily I include now those who have come through many gropings to join our company in flesh.

Power cometh to them, and honor, and happiness; I decree it even as I decree that the nations be given unto those who are upright of heart, to be molded of them for oncoming generations.

Hear now my voice: ye did volunteer, all of you, for a trust with which I charged you; that which cometh is not of my choosing for you but that ye wanted it.

NEW TURNING POINT*

...You are purposely brought into the light by conscious application. It is part of the demonstration of the New Age. It is part of the purpose of your individual focal point as Nada and El Morya, the leaders of the Mark-Age unit and the Hierarchal Board externalization force field, because the history of man must anchor and have told, with total recall and recording, that this reintroduction of the light through the physical dimension has been completed.

This is why our channel Nada-Yolanda must take upon herself the actual daily record keeping that instills this into the mass subconscious mind. You, El Morya, with your conscious acceptance, then must broadcast it out and accept it with total conviction so it can be used and finalized for the mass-conscious mind.

But the reason we instruct you as to the delicacy of this and the awkwardness, as mentioned earlier, is because the renting of this phase, the third phase, of the trinity relationship, your conscious physical mortal vehicles, involves the actual planetary logos as it accepts this into its vibratory rate, through the elemental kingdom.

You have been instructed, and understand clearly, that the elements of the Earth are those same elements that comprise your own physical vessel through which you operate as a spiritualized being and a soul of light. These two higher bodies or concepts, which operate and live independently and aside from your physical vehicle, whether it has a physical vehicle or not, reside within — occupy or anchor, as you might put it — a vessel which uses the elemental forces of the planet on which you have activity, consciousness and purpose for the plan of God.

*1972 *BEGIN ANEW VOLUME TWO*, page 55-57.

Mark-Age Inform-Nations (MAIN)

We then have instructed you in the past, and remind you again in the present, that at the time of this renting of the third phase, or physical vessel, the elements corresponding to it likewise will be rent and will be disturbed. This awkward situation, after all then, must affect the masses residing in the approximate area and all elemental kingdoms everywhere.

For, we remind you, not a pebble, not a grain of sand is shifted that it does not have its effect upon every other element in the same environment. You may be quite assured by us that nothing moves in any kingdom or any realm or on any dimension, that all is not to some degree affected, moved, or conscious of it.

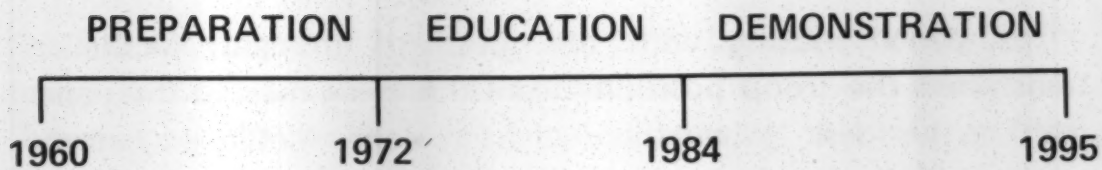

That is why your activities in one part of the globe or another are interlocked, interwoven, interrelated with all other activities. You recently had an experiment with an atomic explosion in the Aleutian Islands, where Summalt is anchored in order to help in softening or eliminating as many of the detrimental effects as possible. It had some success, in the respect that there was very little aftershock.

But what of the other areas, planes, dimensions which are touched by every single movement of the Earth and of the elements comprising the Earth? You have relayed this vibratory rate out into the ethers and it will be picked up. It will resound and it will have its detrimental effects, for this was a disturbance unto the equilibrium. For good or bad, it nevertheless is a disturbance unto the present equilibrium or balance that has to be maintained at all times.

Likewise, your thoughts projected out have a similar effect and resound from one end of the globe to the other. You may very well ask: how long does it take and to what degree is this effect manifested? That is an excellent question.

The answer to that is: the degree to which you are consciously able to handle the vibratory impact of that thought.

THREE CYCLES OF MARK-AGE*

Preparation of Light Workers for grounding the force etheric and celestial vibrations in and through their physical vehicles to hold the rod and express it outwardly...

This teaching will be given to others, to infiltrate or to infuse them with the same light and energy frequency, that they will be enabled to take part in the mass educational program.

Become teachers and demonstrators of the light on earth. Know the rays, their function, your work and the interrelationship of the rays in yourselves and in each other. The second coming of the Christ consciousness to Earth.

GENERAL McCLELLAN'S DREAM*

"Note what you see. Your time is short."

His pencil moving with the speed of thought, McClellan transferred the troop positions from the living map to the paper map on his desk. When this had been done, McClellan became aware that the figure standing near him had increased in light and glory until it shone like the noonday sun. And as he raised his eyes he looked into the face of George Washington.

The first President with sublime and gentle dignity looked upon the bewildered officer, and spoke as follows: "General McClellan, while yet in the flesh I beheld the birth of the American Republic. It was indeed a hard and bloody one, but God's blessing was upon the nation and, therefore, through this, her first great struggle for existence, He sustained her and with His mighty hand brought her out triumphantly. A century has not passed since then, and yet the child Republic has taken her position of peer with nations whose pages of history extend for ages into the past. She has, since those dark days, by the favor of God, greatly prospered. And now, by very reason of this prosperity, has she been brought to her second great struggle. This is by far the most perilous ordeal she has to endure; passing as she is from childhood to opening maturity, she is called on to accomplish that vast result, self-conquest; to learn that important lesson, self-control, self rule, that in the future will place her in the van of power and civilization. . .

But her mission will not then be finished; for ere *another century* shall have gone by, the oppressors of the whole earth, hating and envying her exaltation, shall join themselves together and raise up their hands against her. But if she still be found

* *THE SECRET DESTINY OF AMERICA* by Manly P. Hall, p. 186-190.

worthy of her high calling they shall surely be discomfitted, and then will be ended her *third* and last great struggle for existence. Thenceforth shall the Republic go on, increasing in power and goodness, until her borders shall end only in the remotest corners of the earth, and the whole earth shall beneath her shadowing wing become a Universal Republic. Let her in her prosperity, however, remember the Lord her God, her trust be always in Him, and she shall never be confounded."

As the spirit visitor ceased speaking he raised his hand over McClellan's head in blessing, and the next instant a peal of thunder rumbled through space. McClellan woke with a start. He was again in his room and his maps spread out on the table before him.

But there was one difference: the maps were covered with the marks, signs, and figures which he had inscribed there during the vision.

McClellan walked about the room to convince himself that he was really awake. He then returned and looked at the maps. The markings were still there.

Convinced now that the experience was heaven sent, McClellan had his horse saddled and rode from camp to camp making the necessary changes in his strategy to meet the enemy's planned offensive.

His moves were successful, and he prevented the capture of the city of Washington. At that time the Confederate Army was so close that Abraham Lincoln, sitting in his study at the White House, could hear the rumble of the Confederate artillery.

General McClellan concludes his account of the strange vision that saved the Union with these words: "Our beloved, glorious Washington shall again rest quietly, sweetly in his tomb, until perhaps the end of the Prophetic Century approaches that is to bring the Republic to a third and final struggle, when he may once more, laying aside the cements of Mount Vernon, become a

Messenger of Succor and Peace from the Great Ruler, who has all the Nations of the Earth in his keeping.

"But the future is too vast for our comprehension; we are the children of the present. When peace shall again have folded her bright wings and settled upon our land, the strange, unearthly map marked while the Spirit eyes of Washington looked down, shall be preserved among American archives, as a precious reminder to the American nation of what in their second great struggle for existence, they owe to God and the Glorified Spirit of Washington. Verily the works of God are above the understanding of man!"

It is not difficult to understand how a man who has been granted so strange an experience should come to realize that a secret destiny is overshadowing the country for which he fought.

The prophetic import contained in the vision is now apparent, and as the entire account was published in 1862 there can be no doubt that we are in the presence of a genuine example of foreknowledge. . .

It is written in the old books that when the brothers of the Quest desire to bring about changes in the mortal state they send messengers and strange dreams and mystic visions and, accomplish their purpose by revealing their will to the leaders of nations in sundry and curious ways. One thing is certain: Men unaccustomed to the spiritual ways of life have received visions, and have heard voices, and by obeying these mysterious powers they have contributed to the progress and security of their fellow men.
